## Split Systems

Daikin Split System Air Conditioners are ideal for air conditioning one room or a specific area of a home. Discreet wall mounted and compact floor standing units are all part of the Daikin range.

The best air anywhere.

## Why choose Daikin?

### Experts in Air Conditioning

As specialists, air conditioning is all we do. We take pride in designing products that provide clean, efficient, and superior comfort in the places we live, work and play.

### Specialist Dealer Network

With over 450+ strong dealer network, Daikin is available through our Specialist Dealer network, who will assess, plan and install the right air conditioning solution for your home.

## Quality After Sales Support

Our comprehensive range of services from our dedicated after sales support team will ensure the long term durability and keep your Daikin running smoothly for many years to come.

## Sensitive Choice® Approved

Daikin's split system air conditioners are approved by the National Asthma Council Australia Sensitive Choice® program, and are the only split systems that carry the blue butterfly symbol.
