Split Systems

Daikin Split System Air Conditioners are ideal for air conditioning one room or a specific area of a home. Discreet wall mounted and compact floor standing units are all part of the Daikin range.

The advertisement features the Daikin logo at the top left and the tagline "The best air anywhere." at the top right. The central image shows a modern living room with a woman standing near a fireplace and a man sitting on a sofa. A Daikin split system indoor unit is mounted on the wall. In the foreground, a Daikin floor-standing unit is shown. Text overlays include "HEATING AND COOLING SOLUTIONS" and "SPLIT SYSTEMS".

Why choose Daikin?

Experts in Air Conditioning

As specialists, air conditioning is all we do. We take pride in designing products that provide clean, efficient, and superior comfort in the places we live, work and play.

Quality After Sales Support

Our comprehensive range of services from our dedicated after sales support team will ensure the long term durability and keep your Daikin running smoothly for many years to come.

Specialist Dealer Network

With over 450+ strong dealer network, Daikin is available through our Specialist Dealer network, who will assess, plan and install the right air conditioning solution for your home.

Sensitive Choice® Approved

Daikin's split system air conditioners are approved by the National Asthma Council Australia Sensitive Choice® program, and are the only split systems that carry the blue butterfly symbol.
