Daikin Australia: US7, Australia's most energy efficient split system

Controllers

Backlit Wireless Remote Controller (US7)

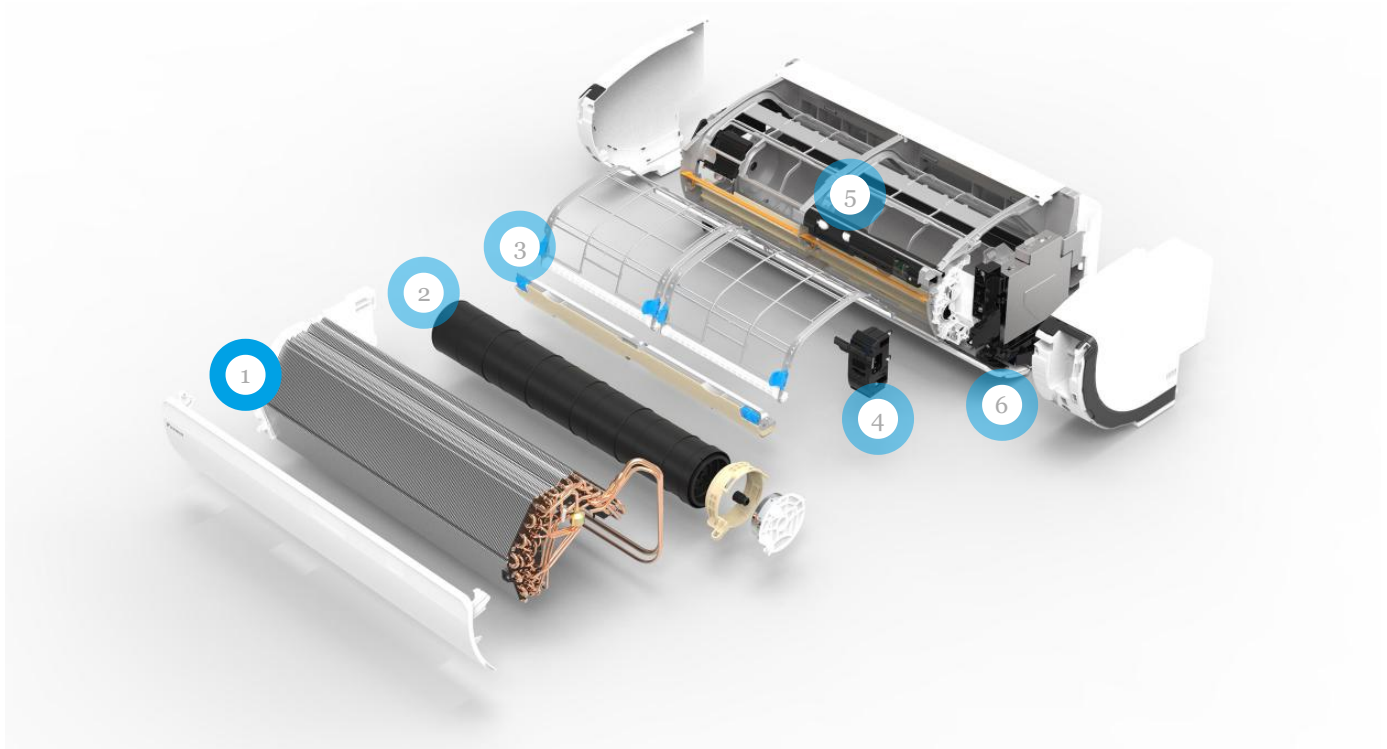

Daikin Mobile Controller (optional extra)

Daikin's 5-year parts and labour warranty applies to split, multi split and ducted air conditioners purchased and installed in homes across Australia

5 Year Warranty

US7 Technology

1 HIGH DENSITY HEAT EXCHANGER

US7's five row heat exchanger utilising Ø5mm copper piping delivers superior cooling and heating performance.

2 HYPER SAW EDGE FAN

Unique 'Saw Edge' design of the indoor fan rotor delivers superior airflow and quiet operations as low as 19dBA (25-35 Class Model).

3 AUTOMATIC SELF CLEANING FILTER

An internal brush automatically collects and deposits dust from the air filter to help maintain stable airflow and minimise power consumption.

4 FLASH STREAMER TECHNOLOGY

Decomposes bacteria and mould absorbed on the filter by ionisation with an advanced plasma electric discharge.

5 2-AREA INTELLIGENT EYE

Ensures draught free comfort, if no movement is detected for a period of 20 minutes, the conditioner adjusts the set temperature by $\pm 2^{\circ}\text{C}$ to save energy.

NATURAL BREEZE AIRFLOW

By randomly varying airflow and direction, US7 simulates the sensation of a gentle breeze for improved comfort.

Split Systems

Daikin Split System Air Conditioners are ideal for air conditioning one room or a specific area of a home. Discreet wall mounted and compact floor standing units are all part of the Daikin range.

The advertisement features the Daikin logo at the top left and the tagline "The best air anywhere." at the top right. The central image shows a modern living room with a woman standing near a fireplace and two men sitting on a sofa. A Daikin split system indoor unit is mounted on the wall. In the foreground, a Daikin remote control is shown. Text overlays include "HEATING AND COOLING SOLUTIONS" and "SPLIT SYSTEMS".

Why choose Daikin?

Experts in Air Conditioning

As specialists, air conditioning is all we do. We take pride in designing products that provide clean, efficient, and superior comfort in the places we live, work and play.

Quality After Sales Support

Our comprehensive range of services from our dedicated after sales support team will ensure the long term durability and keep your Daikin running smoothly for many years to come.

Specialist Dealer Network

With over 450+ strong dealer network, Daikin is available through our Specialist Dealer network, who will assess, plan and install the right air conditioning solution for your home.

Sensitive Choice® Approved

Daikin's split system air conditioners are approved by the National Asthma Council Australia Sensitive Choice® program, and are the only split systems that carry the blue butterfly symbol.
